laxbeachteach When we were at FETC everyone overloaded the network with too many devices. Will BYOD do the same in schools? **#1stchat** -8:43 PM Feb 26th, 2012

theipodteacher **@TeacherInMe** **#1stchat** the iPods are pushing it. It's difficult for the eyes. The price is right though so I deal with the size. -8:40 PM Feb 26th, 2012

MrsMartel2 **@CYarzy** not sure...thinking about starting with just a BYOD day and seeing how that goes. Maybe a poll also... You?**#1stchat** -8:40 PM Feb 26th, 2012

jaxbeachteach @mrswideen I heard some schools have an "insurance" fee they charge all students and another fee for repairs. We don't do that here [#1stchat](#) -8:35 PM Feb 26th, 2012

TeacherInMe @mrswideen @CYarzy That's where the BYOD policy comes into play. [#1stchat](#) -8:35 PM Feb 26th, 2012

mrswideen @LirenmanLearns what are some things you have been doing with them? [#1stchat](#) -8:35 PM Feb 26th, 2012

MrsMartel2 @CYarzy @TraceyTeaches @mrswideen I think we need to start with educating the parents first. [#1stchat](#) -8:35 PM Feb 26th, 2012

LirenmanLearns @mrswideen I think kids will be more careful than you thinkg. It's a risk with anything they bring to school. [#1stchat](#) -8:35 PM Feb 26th, 2012

TraceyTeaches @CYarzy @MrsMartel2 @mrswideen #1stchat I think there have to be convos before BYOD starts, guidance on ideas for use as they work. -8:34 PM Feb 26th, 2012

mrswideen @CYarzy and what do we do if something happens to their device at school? [#1stchat](#) -8:34 PM Feb 26th, 2012

TeacherInMe @cpatselas Exactly. It's better to give Ss a chance to use their tech appropriately at an early age before it's too late. [#1stchat](#) -8:34 PM Feb 26th, 2012

LirenmanLearns #1stchat right now we have a class set of iPod touches on loan from our district. We share w/school too but we've been using them tons . -8:34 PM Feb 26th, 2012

cpatselas I love the idea of **#BYOD** but I think we need to educate our students on acceptable use. They can do it, they just need guidance **#1stchat** -8:32 PM Feb 26th, 2012

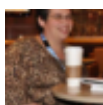

mrswideen The "lost" or "dropped it" factor is an issue when they are so little **#1stchat** -8:32 PM Feb 26th, 2012
